The Winston Churchill School

Dear Graduate,

Paid employment while you develop a range of transferable skills to take into your chosen career!

Our graduates enjoy the opportunity to get involved with productions, music or sport, as well as taking students on residential trips.

Have you recently graduated in subject areas such as maths, science, geography, history, technology, sports science, English or any other degrees appropriate to our school?
We may have the opportunity you've been looking for!

Could you, like many graduates before you, make a fantastic contribution to our school?

Opportunities:

- We are currently seeking new graduates for the position of Trainee Teacher of Maths. Starting salary £28k per year.
- We are also looking for someone who would like to tutor maths to support the excellent results being achieved by this department.

Please encourage anyone interested in any of these roles to contact the school to find out more information or visit the Graduate section on our school website: Graduate Roles – The Winston Churchill School

Thank you for taking the time to consider these roles. I wish you every success for the future.
