

2021 Centre Assessed Grades Procedure

Evidence is selected for student performance across the course of study for each subject. The evidence selected can be based on a centre-devised task or assessment material provided by exam boards. The evidence includes:

- mock exams
- non-examined assessments and coursework
- homework assignments and class performance
- student prior performance and FFTs
- any other evidence of performance across the course of study

Approved Access Arrangements for students are applied for each assessment.

Chosen evidence is split into data points and allocated to a Data Collection (DC).

DC 1 – evidence from assessments prior to March 2021

DC 2 – March mock exams

DC 3 – evidence from assessments, work and performance from March to May

DC 4 – May exams
