We are currently seeking a Business Graduate to train to become a teacher. This is a salaried position, and we will pay your training costs. Start date: either 1st July or 1st September 2024.

Many of you will have successfully found your first job as a graduate but if you are still looking for the perfect opportunity, working at Winston trains you to play a crucial role in the day-to-day life of the school within the classroom and to gain exposure to the school environment, whilst making a real difference to the lives of young people.

We give our staff opportunity to motivate students and to be responsible for improving their educational experience.

No previous experience is required, however, previous experience working with children would be advantageous. The Winston Churchill School is made up of many enthusiastic, innovative and very knowledgeable teachers who will be able to provide guidance and support to anyone considering a career in education.

It is likely that there will be opportunities to work as a tutor in English, science or maths or as a cover supervisor, to manage groups of students when staff are absent. This would suit a graduate and is good preparation for a career in teaching or other professions, where the skills of leadership and communication are valued.
