

# The Winston Churchill School

Headteacher: Zoë Johnson-Walker

7<sup>th</sup> May 2025

Dear Graduate,

Paid employment while you develop a range of transferable skills to take into your chosen career!

Our graduates enjoy the opportunity to get involved with productions, music or sport, as well as taking students on residential trips.

Could you, like many graduates before you, make a fantastic contribution to our school?

Have you recently graduated in subject areas such as maths, science, geography, history, technology, sports science, English or any other degrees appropriate to our school? We may have the opportunity you've been looking for!

## Opportunities:

- I am currently seeking new graduates for the position of LSA, the hours are 26 hours per week plus 5 hours lunchtime supervision each week. Total 31 hours per week. One year contract only.
- I also require Cover Supervisors to manage groups of students when staff are absent. This again would suit a graduate and is good preparation for a career in teaching or other professions, where the skills of leadership and communication are valued.
- It is likely that there will be opportunities to work as a tutor in English, science or maths. If this appeals to you then please email James French, Deputy Head at [j.french@wcsc.org.uk](mailto:j.french@wcsc.org.uk) to discuss the possibilities.

Please encourage anyone interested in any of these roles to contact the school to find out more information or visit the Graduate section on our school website: [Graduate Roles – The Winston Churchill School](#)

Thank you for taking the time to consider these roles. I wish you every success for the future.

Yours sincerely

Zoë Johnson-Walker  
Headteacher
